The arts are beginning to flourish as the construction at the Dr. Phillips Center for the Performing Arts progresses. Even something as simple as a chain link fence can be transformed. Join us in celebrating a different kind of "arts center" - one created by the youth of Central Florida. After the unveiling, enjoy performances from local student groups and have the opportunity to make your own mark on the Center's fence.

## **Parking: City Commons Garage**

Located behind City Hall on Boone Avenue between Anderson Street and South Street.

Orange Avenue, between South Street and Anderson Street will be intermittently closed for the event.

\* In the event of inclement weather, the celebration will be held at the Dr. Phillips Center's office: **455 South Orange Avenue, Orlando, FL 32801**
