

DR. P. PHILLIPS ORLANDO PERFORMING ARTS CENTER PROJECT TEAM

BALFOUR BEATTY CONSTRUCTION

Balfour Beatty Construction has been a leader in the U.S. commercial construction industry for 76 years, providing general contracting, at-risk construction management, design-build, preconstruction, public/private and turnkey services for clients nationwide. The company employs 1,600 professionals and is part of London-based Balfour Beatty plc, a leading international engineering, construction, and investment business exceeding \$16 billion in annual revenues. www.balfourbeattyus.com

Rob Baker – Senior Vice President and Project Director. Rob has 30 years of construction management experience primarily in the Central Florida area. He has dedicated 25 of these years to Balfour Beatty Construction. His commitment to the industry and Balfour Beatty Construction is complemented by his longtime community involvement. Rob maintains strong ties to the community through in-kind projects and he has served as a board member or participated with many local organizations. Rob's portfolio of experience includes performing arts center projects and projects that have been part of Central Florida's growth in arts, higher education as well as science and medicine.

Rob Baker is available for media interviews. Please contact Laura Guitar, laura.guitar@edelman.com.
